8 WEEKS • LIVE MENTORSHIP • PM PORTFOLIO • INTERVIEW PREP

IS PM X FOR YOU?

PM-X isn't for everyone. And that's intentional.

A hands-on program for people serious about making the move into Product Management.

This is for you if

- You are a student or working professional
- You want to move into Product Management
- You want mentorship not just content
- You are ready to learn by doing

Thats it

This isn't for you if...

- × You're looking for a shortcut
- × You want passive learning
- × You're not willing to do the assignments
- × You can't commit 10-12 hrs/week

*"No guaranteed placements.
No shortcuts. Just structured
preparation."*
